Re: Land Trust Development

Dear RuthAnn Purchase James and Richard Durham,

The Tribal Council of the Lenape Indian Tribe of Delaware supports Greenbridge Community Development Corporation and the Immanuel Union Church in the joint venture to develop a land trust to facilitate cemetery stewardship and perpetual care for the cemeteries currently managed by Immanuel Union at Immanuel Union Church and Little Union Church (Fork Branch).

The Lenape Indian Tribe of Delaware looks forward to partnering with the land trust venture to insure the two cemeteries previously mentioned receive the perpetual care intended by the Communities whose Ancestors are interred at these Burial Grounds.

If we can be of additional assistance, please do not hesitate to contact us at Lenape Indian Tribe of Delaware, 4164 N. DuPont Hwy, Suite 6, Dover, De 19901.

Wani'shi,
